Communications To and From the Board

The School Board welcomes communications from the community. Staff members, parents, and community members should submit questions or communications for the School Board's consideration to the Superintendent or Board President. The Superintendent shall provide the Board with a summary of these questions or communications and provide, as appropriate, his or her feedback regarding the matter. If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Superintendent's office. Board Members will not take private action that might compromise the Board or District. There is no expectation of privacy for any communication sent to the Board or its members individually, whether sent by letter, email, or other means.
