

May 5, 2011

As Memorial Day approaches, the students and teachers of North Boone CUSD 200 are wrapping up their school year. The last full day of school for students will be June 6 and report cards will be handed out on June 8.

A few random samples of how the year is ending are included for your information.

The Poplar Grove 4th Grade presented a Living History Museum for parents and the K-3 Students on Wednesday and Thursday, May 25 & 26. Students each research a famous person from Illinois and memorized a first person speech explaining the reasons for the person's fame. From Abe Lincoln and Blackhawk to Al Capon and US Grant, the students covered a wide range of Illinois History.

Eighth grade students brought their parents, grandparents and others to review the portfolio of work that they had created in Ms. Ashley Peterson's Reading Courses this year. Parents and students were both pleased to see the growth the students made over the course of the year.

NBHS social studies teacher, Mr. Matt Lerner, explained the NBHS community service requirement to incoming 9th Graders at NBMS during a recent activity fair held at NBMS to introduce students to the variety of activities they will be able to participate in as next year's freshman class at NBHS.

North Boone Community Unit School District 200 serves approximately 1800 students in pre-school through high school in the Villages of Caledonia, Capron and Poplar Grove as well as the northern tier of unincorporated Boone County, Illinois. For more information visit the NBCUSD website at www.nbcusd.org or contact the district office at 815-765-3322.
