

September 19, 2011

Capron Elementary Schools received a Lowe's Toolbox for Education Grant this summer for \$2,600. This has allowed the school to refinish a section of the playground and install new equipment with proper mulch and edging for the children using the Capron School playground.

Mr. Matt Klett, Capron principal worked with the Capron PTO and other volunteers to install the new equipment and refinish the ground cover for the area.

This is just one example of North Boone's work to bring grant money and donations into the district. More information about the Lowe's Toolbox for Education program can be found at <http://www.toolboxforeducation.com/>

North Boone Community Unit School District 200 serves approximately 1800 students in pre-school through high school in the Villages of Caledonia, Capron and Poplar Grove as well as the northern tier of unincorporated Boone County, Illinois. For more information visit the NBCUSD website at www.nbcusd.org or Matt Klett at 815-569-2314.
