## Community Unit School District 200

Steven M. Baule, Ed.D. Ph.D. Superintendent

July 3, 2014

### North Boone Summer Programing Serving Students

In partnership with the National Inventors Hall of Fame, North Boone is pleased to offer the nationally-acclaimed Camp Invention program for approximately 40 children entering grades one through six. It's was an exciting, weeklong summer adventure in Science, Technology, Engineering and Math (STEM) that's all about big ideas. Children will work together to seek innovative solutions to real-world problems and sharpen critical 21<sup>st</sup> century learning skills as they rotate through four modules that reinvent summer fun. In

the *Super Go™* module, students design a small, motor-powered vehicle that zooms! Girls and boys will collect energy coins along the way for building ramps, bridges and tunnels for the Super Go Road Rally. Participants will receive personalized challenges from National Inventors Hall of Fame Inductees that will ignite a spirit of creativity, innovation and entrepreneurship during the *Design Studio: Morphed™* module. Throughout the *Amplified™* module, children invent bionic gadgets while journeying to acquire superhuman senses. Time will be spent encountering illusions and discovering if they are a supertaster. NBHS students participated as counselors along with NB staff. Mrs. Becky Giesecke was the camp director.

Special Education students who need additional instruction are receiving extended school year programming as well at Poplar Grove. Spanish speaking students are also receiving additional English language instruction this summer through federal Title III funding.

All North Boone families are encouraged to take advantage of the Summer Library Hours at Poplar Grove and Capron in addition to this year's Books on Wheels Program at Oak Lawn, Candlewick and the Capron Trailer Parks.

## Summer Library Dates and Times

### Poplar Grove Elementary

Tuesdays—9:00 a.m.-Noon, Story time-10:00 a.m.

Wednesdays—5:00-8:00 p.m., Story time-6:30 p.m.
