### State's Attorney Michelle Courier was NBHS/ NBUE Principal for the Day

As part of the North Boone's ongoing strategic planning process, the district approved a new Communications Plan in April 2013. One of the new pieces of the plan was to develop ways for more people to see what is going on within the North Boone Schools. Boone County State's Attorney, Michelle Courier, was asked to be the first principal of the day for the 2014-2105 School Year. Ms. Courier's office provides a great deal of support to schools particularly regarding truancy issues and the Boone County Gang Task Force run out of her office.

Ms. Courier was at North Boone High School for the morning of December 5 and then spent the afternoon at NBUE & NBMS. She was able to visit classrooms and speak with students and teachers as well as help pass out student rewards at NBMS.

Ms. Courier summed up her day at North Boone as follows: "It was a great experience, and I am truly honored to have been part of it. I was so impressed with the enthusiasm of everyone from the students, teachers, staff, and principals. It was encouraging to see innovative teaching lessons and students interested in learning. I also had a lot of fun just interacting with the students. The kids were so supportive. They kept telling me 'you can do it' while skating with the 5th graders."

North Boone was extremely pleased that Ms. Courier was able to take time out of her busy schedule to see how the North Boone schools function. We appreciate her time and the energy and care she showed to our students and staff during her visit.
