NBMS/NBUE Guys' Night Out 2015

North Boone Middle School and North Boone Upper Elementary will host the 2nd annual Guys' Night Out on February 6, 2014 at 5:00pm. The event will take place at North Boone Middle School. The evening is designed as a way for male students to get to know themselves and their classmates more fully. Too often we make assumptions before having the opportunity to explore things—whether it be interests, hobbies, talents, or other people. At GNO, boys will take part in a variety of fun and new activities including: dodge ball, flashlight tag, scavenger hunt, Nerf war, and many other surprises all while building relationships with other classmates. These activities are designed to encourage boys to make new friends, enjoy the company of others in a safe and fun atmosphere, and build connections and better understanding with boys their age.

60 boys in grades five through eight are expected to attend the event, along with over twenty staff, parent, and high school student volunteers. The volunteers will act as team leaders for the middle school and upper elementary students as they move through the activities.

A buzz has been surrounding GNO for the last few weeks, and everyone involved is excited for the evening to arrive. One fifth grader remarked, "I wasn't sure if I wanted to come but it sounds like it's going to be a blast. Lots of guys are saying they can't wait!"
