Extracurricular and Co-Curricular Activities

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular and co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Building Principals are responsible for the scheduling and announcing of student extracurricular and co-curricular activities.

Students can only participate in competitive extracurriculars in the building where they attend school.

Non-school sponsored student groups are governed by School Board policy, Student Use of Buildings – Equal Access.

Academic Criteria for Participation

For students in kindergarten through 8th grade, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and the student conduct code.

For high school students, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a student must meet the following criteria.

The District realizes the value of extracurricular activities in producing a well-rounded student. It is the intent of the District that the participation in extracurricular activities and interscholastic competition is a profitable educational experience. In order to accomplish this end, fair and enforceable rules and regulations must be in place. The following rules apply to all extracurricular activities, IHSA governed activities (athletics, music, chess, etc.) and all other activities including cheerleading.
