- Using the Internet
- Social Networking
- Texting

Being Safe and Responsible Online

Avoid the Creepers!

- Be careful giving out personal info.
- Think about photos you post.
- Remember “Stranger Danger”!

More on Creepers...

How Do I Report a Problem?

- **Sexting**

- One in five teens has sent a nude or semi-nude photo of themselves to someone via cell phone or computer.
- Two in five teens have received a photo from someone else.

More on Cell Phones

- While Driving...
 - A person may not operate a motor vehicle on a roadway while using an electronic communication device to compose, send, or read an electronic message.
 - A study reported that texting took a driver's focus off the road for an average of 4.6 seconds—enough time to travel the length of a football field at 55 mph.

Global music piracy causes \$12.5 billion of economic losses every year, 71,000 jobs lost, and \$422 million in tax revenue.

Do the math...

4,000,000 kids in U.S. your age

x 2 if every kid lifts two songs

x \$1.00 (cost of each song)

\$8,000,000 in lost revenue for music industry
