Winter Break

2018 MAGIC WATERS READING PROGRAM

It's that time of year again!

Capron Elementary School students, grades Pre-K-4, are participating in the Magic Waters Books for Fun program. This program is designed to encourage recreational reading for students. Any student who completes 6 hours of recreational reading is eligible for a one day, free admission ticket to Magic Waters Water park for the 2018 season. The program ends January 5.

CHRISTMAS CRAFT FAIR

Date: Friday December 15

Time: 9:00 AM- 4:00 PM

Location: Capron Elementary School

Children will be able to visit the vendors during school hours and parents are welcome to shop after 3:00 pm. Please send money in an envelope with your child's name on the day of the fair.

Lost and Found

Please encourage students to check the lost and found box. All unclaimed items will be donated to a local organization during the winter break.

COLD WEATHER

The weather outside will be getting very cold, very quickly! Please be sure your child has a winter coat, hat, gloves, and warm shoes/boots when coming to school. Also, when there is snow, students will only be allowed to play in the snow if they are wearing a winter coat, gloves/mittens, snow pants, and boots. If you are in need of assistance with providing warm clothing for your child, please contact the office .

Teacher recognition

Our teachers at Capron Elementary are awesome! In an effort to recognize how great they really are, I would like to encourage parents and students to log on to 97zokonline.com and nominate their teachers for the phenomenal jobs they are doing.

ART NEWS

It is hard to believe that December is here and we only have a few more art classes together for the year. After Christmas break I will be at Poplar Grove Elementary and students at Capron and Manchester will receive music. It has been a privilege to work with such creative students. The classes have all been busy learning about, evaluating and creating art. Kindergarten has spent the semester mastering shapes and have demonstrated their shape knowledge in their projects. First grade has focused on lines and shapes. Second grade has worked on primary and secondary colors and how they are created. Third and fourth grades have learned more about art history and artists.

Please remember to check out Artsonia, our online art museum. Artsonia also allows parents to purchase items such as magnets and mugs with their students artwork on it. This is a wonderful program which can be used for gift ideas with Christmas right around the corner.

I wish you all a wonderful holiday season!

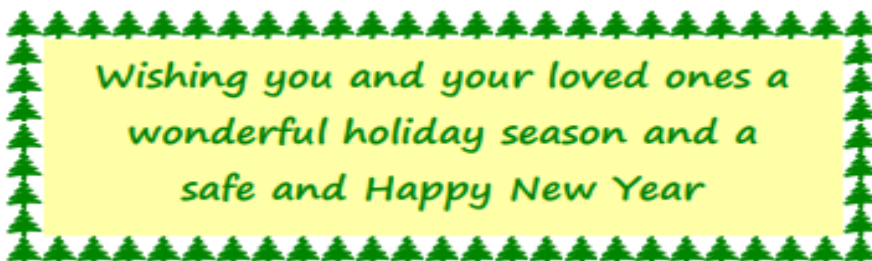

Mrs. Pride

WINTER WEATHER and EMERGENCY CLOSINGS

As winter approaches, the possibility exists for storms that would require the Superintendent to order an emergency school closing. Please be sure to check your local radio or TV stations for these updates.

MAPs Testing Nov. 28th—Dec 15th

All students in 2nd through 4th grade will be taking the MAPs Test. Please be sure your child gets a good night's rest, and eats a healthy breakfast, especially on these days :)

North Boone School Libraries

Barnes & Noble Book Fair
