LUNCH BALANCES

Please remember to pay your account balances for school lunch purchases! If your family is facing hardship, please remember that forms for Free/Reduced Lunch are available through the office and staff members are more than happy to help families complete the forms if there are questions. Remember, you can check your students' account balances by contacting the office. Thank you for your prompt attention to this matter!

COLD WEATHER

WINTER IS COMING – PLEASE REMEMBER THAT YOUR CHILDREN ARE STILL GOING OUTSIDE FOR RECESS!

The School District's Policy is that children will be outside for recess as long as the wind chill is above 0 degrees. Please be sure your child comes to school each day prepared for outdoor recess. They should have a winter coat, as well as hats and gloves. . Also, students wait outside in the morning as buses arrive – they need to be warmly dressed then too!

INCLEMENT WEATHER POLICY

PARENTS, IN CASE OF BAD WEATHER, PLEASE DO NOT CALL THE SCHOOL.

ART NEWS

Please visit the Artsonia website for Manchester School. Our students have some terrific work displayed there. Artsonia is an online art museum where student's works can be displayed. Permission slips were sent home and many parents signed up. If you have not signed up yet I ask that you please do so. I have uploaded several projects at various grade levels and will be adding more shortly. Artsonia also allows parents to purchase items such as magnets and mugs with their students artwork on it. This is a wonderful program which can be used for gift ideas with Christmas right around the corner.

We have been very busy in art class. Kindergarten and first graders were learning about fire safety. Kindergarten classes created their own shape fire trucks and first graders made fire fighters using their hands. Second grade has been creating their own spiders and webs while third grade has been making symmetrical pumpkins. Fourth grade studied Pablo Picasso and worked on monochromatic paintings creating fall pictures. The children have been learning about shapes, colors, texture and space at various grade levels.

Wishing you all a safe and happy Thanksgiving.
