Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Definitions

1. Educational Support Personnel whose employment day is more than seven and one-half (7.5) hours, are defined as full-time.
2. Educational Support Personnel whose employment day is equal to or less than seven and one-half (7.5) hours are defined as part-time.

Sick and Bereavement Leave

1. Each employee shall be allowed during each fiscal year one (1) equivalent work day of sick leave each month without loss of pay. Twelve-month employees will receive 12 days annually, eleven-month employees will receive 11 days annually and ten-month employees will receive 10 days annually.
2. Each employee shall be allowed to accumulate up to 240 equivalent days of sick leave, through continuous employment with the District.
3. If an employee was absent for a period of four (4) days or more for illness, a doctor's statement will be required prior to the employee returning to work. If the employee is absent for serious illness or for hospitalization, a doctor's release for regular duties must be presented before returning to work.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois or Wisconsin to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice registered nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice registered nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

2. Twelve-month employees who are not full-time will earn vacation on a prorated basis.

3. Vacation: Vacation and leave days are not cumulative. The employee must use accrued vacation days during the year that vacation time is accruing plus an additional six months or the vacation days will be lost.
