Instruction

Organization of Instruction

The School District has instructional levels for grades kindergarten through twelve. The Superintendent shall annually present to the Board a plan for organizing instructional levels and assigning them to school facilities in order to:

- 1. Support the District's educational program,
- 2. Maximize facility usage without undue overcrowding, and
- 3. Provide substantially comparable instructional programs across the District.

Students, for instructional purpose, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a full-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. The District also offers a half-day kindergarten for those parents/guardians who request a half-day program.
