

Curriculum Objection

To be submitted to the Superintendent

Subject area:	
Classroom teacher:	
Complaint initiated by:	
Complainant represents: parent/guardian of a student himself/herself organization	<input type="checkbox"/> parent/guardian of student <input type="checkbox"/> student <input type="checkbox"/> organization (specify):

1. Please state, as precisely as possible, the specific curriculum area, instructional material, or program to which the user objects. (Name, title, author, publisher, and any other identifying information.)

2. How did you become aware of the curriculum area, instructional material, or program?

- by classroom observation
- by review
- by word of mouth
- other

Describe: _____

3. To what in the curriculum area, instructional material, or program do you object? Be specific.

4. Illinois School Code Objections - The IL School Code permits parents/guardians to object to curriculum and instructional materials under the following exemptions. If the objection to the instructional material described above fits into one of these provisions, please indicate by checking below.
- Dissection of Animals*
 - Comprehensive Personal Health and Safety Education and Comprehensive Sexual Health Education
 - Instruction related to Acquired Immune Deficiency Syndrome (AIDS)
 - Instruction on Cardiopulmonary Resuscitation (CPR) and use of Automated External Defibrillators (AED)
 - Organ/tissue and blood donation

*Students who are granted an exemption based on the “opt-out” related to the dissection of animals may be required to complete an alternative assignment/project of similar length and difficulty.

5. What would you like the District to do about this curriculum, instructional material, or program?

- Withdraw it from the District's educational program.
- Refer it to a District committee for evaluation.
- Exclude the student(s) listed below from participation.
