

Instruction

Graduation Requirements

To graduate from high school, unless otherwise exempted, each student is responsible for:

1. Completing all District graduation requirements that are in addition to the State requirements.
2. Completing all courses as provided in the School Code, 105 ILCS 5/27-22. Completing all minimum requirements for graduation as specified in State law.
3. Passing an examination on patriotism and principles of representative government, proper use of the flag, methods of voting, and the Pledge of Allegiance.
4. Participating in State assessments that are required for graduation by State law.
5. Filing one of the following: (1) a Free Application for Federal Student Aid (FAFSA) with the U.S. Dept. of Education, (2) an application for State financial aid, or (3) an Ill. State Board of Education (ISBE) waiver form indicating that the student understands what these aid opportunities are and has chosen not to file an application. If the student is not at least 18 years of age or legally emancipated, the student's parent/guardian must file one of these documents on the student's behalf.

A student is exempt from this requirement if: (1) the student is unable to file a financial aid application or an ISBE waiver due to extenuating circumstances, (2) the Building Principal attests the District made a good faith effort to assist the student or the student's parent/guardian with filing a financial aid application or an ISBE waiver form, and (3) the student has met all other graduation requirements.

The Superintendent or designee is responsible for:

1. Maintaining a description of all course offerings that comply with the above graduation requirements.
2. Notifying students and their parents/guardians of graduation requirements.
3. Developing the criteria for #4 above.
4. Complying with State law requirements for students who transfer during their senior year because their parent(s)/guardian(s) are on active military duty. This includes making reasonable adjustments to ensure graduation if possible, or efforts to ensure that the original (transferor) school district issues the student a diploma.
5. Taking all other actions needed or necessary to implement this policy.

The graduation requirements below apply to all North Boone High School students.

One (1) credit shall be earned for the successful completion of a course meeting for one (1) class period per school day for one (1) school year.

Students who are deficient in credits for graduation will NOT be allowed to participate in the graduation activities.

Students will be required to complete forty (40) hours of community service (10 hours per year attending North Boone High School) prior to graduation. In extreme circumstances, an individual may request a full or partial waiver of this requirement by the Superintendent.

Early Graduation

Students may graduate prior to the completion of grade twelve if the course work required for graduation under this policy has been fulfilled. In such cases, the student must have the approval of the Superintendent and the Principal.

Students who graduate early have the right to participate in graduation activities and attend the prom.

Students who graduate early are considered to be “not currently enrolled” students and therefore will not be allowed to participate in the senior class trip.

Students planning to graduate at mid-term should notify the guidance counselor by the end of the first quarter to facilitate planning.

The Superintendent or designee shall implement procedures for students to graduate early, provided they finish seven semesters of high school and meet all graduation requirements.

Certificate of Completion

A student with a disability who has an Individualized Education Program prescribing special education, transition planning, transition services, or related services beyond the student’s four years of high school, qualifies for a certificate of completion after the student has completed four years of high school. The student is encouraged to participate in the graduation ceremony of his or her high school graduation class. The Superintendent or designee shall provide timely written notice of this requirement to children with disabilities and their parents/guardians.

Service Member Diploma

The District will award a diploma to a service member who was killed in action while performing active military duty with the U.S. Armed Forces or an honorably discharged veteran of World War II, the Korean Conflict, or the Vietnam Conflict, provided that he or she (1) resided within an area currently within the District at the time he or she left high school, (2) left high school before graduating in order to serve in the U.S. Armed Forces, and (3) has not received a high school diploma.

Semester Test Exemption

Seniors who meet or exceeded state standards on the SAT exam taken during their junior year will be exempt from taking final exams at the end of the first semester.

Seniors will not be required to take final exams for second semester.

Students will have the option to take the exams either semester if they feel taking an exam will improve their grade. If an exam is taken, then the regular grading procedures will apply. If a final exam is not taken, the quarter grades will each count 50% toward the semester grade in that class.

Dual Credit

Courses taken through a college program (Rock Valley College, Beloit College Porter Scholars, etc.) with the approval of the Principal may be substituted for some high school courses, i.e., dual credit courses. The students requesting dual credit courses may have the class grade count toward his/her overall cumulative grade point average, assuming it does not place the student above a student who took an honors schedule course load at North Boone High School.

Credits earned in the subject areas of English, Mathematics, Physical and Life Sciences, Foreign Language and Social and Behavioral Sciences may be weighted the same as an honors/advanced placement level North Boone course, with the prior approval of the Principal. College level courses that are at least 100 level are the only classes that will be considered for this option.

Graduation Requirements for the Graduation Class of 2010 and Later

A. A total of twenty-four (24) credits are required for graduation.
