- * Apr 22 BPAC Meeting
- * Apr 23 No School

Art Room News

Greetings from the Art Teacher! It is very exciting that the students will be returning to the art room this month! Students will be creating "April showers bring May flowers" themed art projects. We will continue to build on the "Elements of Art" (Line, Color, Shape, Form, Value, Texture, and Space). When the weather

permits we will have the opportunity to create artwork outside.

Update emergency contacts. Please call the office if your phone number, emergency contact or email information changes at any time during the school year. This is the contact information used by the district automated phone system in emergencies and to share important school information with families.

School Lunch Update

We will not be serving lunches during spring break.

The remote lunch program will end at the end of the school year.

Transportation

Transportation will be sending letters to all families receiving transportation during spring break week. These letters will include the new pick-up and drop-off times. If you do not get something by April 1st please contact busbarn@nbcusd.org

Online Registration

Registration for the 2021-2022 school year will kick-off on April 7th and run through May 21st .

SCHOOL SUPPLIES

When our in-person students return, they will not be sharing supplies with their classmates. Your classroom teachers will communicate any additional supplies that may be needed.

ATTENDANCE

We know some absences are unavoidable even in this virtual environment, but keeping kids in school matters. Attending school regularly helps children feel better about school—and themselves. Start building this habit in elementary school so they learn right away that going to school on time and every day is important. If your child is unable to participate in their daily schedule, they are considered absent. To report an absence, please email olee@nbcusd.org. If email is not possible, please leave a message on our attendance line at (815)569-2314. If your student is attending in person instruction and will

not be in attendance please call the office before 9:00am

MESSAGE FROM THE NURSE

Please continue to monitor your child every morning for symptoms of COVID-19 that could indicate that they are not well. If your child has any COVID-19 symptoms or they have been exposed to a person with COVID-19, please keep them home and call the attendance line. Symptoms of COVID-19*

- Fever or chills (T = 100.4 or higher)
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

*This list does not include all possible symptoms.

We learn more about COVID-19 every day, and as more information becomes available, the Center for Disease Control (CDC) will continue to update and share information with us. As our knowledge and understanding of COVID-19 evolves, this guidance may change.

During the school day if your child develops illness symptoms we, the school, will notify you and help you and your family take needed actions. Students who develop illness symptoms during the school day will be sent home.

<u>Capron Elementary Recognizes</u> Positive Behavior

- Respectful * Responsible * Safe
- Capron supports the success of ALL students. Effective classroom management and preventive school discipline are essential to support teaching and learning. We encourage families to be active participants in our process. All of our school expectations can be practiced at home. It is easy to find ways to be respectful, responsible and safe at home and in the community. Saying "thank you" to the waitress is a way of being respectful. Brushing your teeth in the morning is a way of being responsible. Wearing our seatbelts is a way to be safe. Encourage your child to be respectful, responsible and safe in all walks of life.

Library is open!

HOORAY - We have exciting news!! The Library will be open for all the students to come and enjoy story time along with checking out books during their library time at school. I have so many new books to share with the students and I'm so excited to see the students in-person. Please be sure to ask your children about what books they checked out. Please know that we are taking all the necessary precautions to keep all of the students safe in the library.

SO EXCITED TO SEE ALL OF YOU SOON

Mrs. Spence Capron Librarian

News from PE

I am very excited to welcome all of the students back to in person PE after spring break!! Being back will be great, but it is definitely going to look a little different than a normal spring season of PE does.

We will try to be outside as much as possible while weather permits, but even though we are outside of the building students must remember to wear their masks and do their best to socially distance themselves from others.

Our schedule will include a lot of games and activities using our feet! We will also be doing a lot of fitness activities and individual hand-eye coordination and balance activities, and hopefully mixing in some of our old favorites!

I look forward to seeing everyone soon!!

North Boone Elementary Schools: Capron, Manchester, Poplar Grove (K-4) April, 2021
