Cold and flu season

Please remember if your child has a fever, they must remain fever free for 24 hours without the use of medication before they can return to school. Please do not medicate your child and send them to school if they have a fever. The same rule applies to diarrhea and/or vomiting. This is to help prevent the spread of illness to other students and staff. This district policy will be strictly enforced. Remember the key to staying germ free is washing your hands frequently, covering coughs and sneezes, staying home when you or your child are ill .

Reminders

- Please make sure that you are screening for Covid 19 symptoms before sending your child to school.
- We recognize that family situations change from week to week for various reasons, and we will accommodate weekly dismissal plans as needed. Those plans need to be in the office by 10 a.m. That gives us time to communicate with all stakeholders.
- Please consider putting a spare mask in your child's backpack. Some students are experiencing mask malfunctions during the school day.
- A copy of updated CDC guidance was sent home with students.
- Covid - 19 testing and guidelines continue regardless of the updated mask wearing option.

Pokémon Spring Break Reading Challenge

When: March 28– April 3

What: Students should read 20 minutes everyday

Why: We want to continue to show students that reading at home is just as important as reading at school.

Return the reading log to your teacher on April 4th and receive a Pokémon Collectors lunch box with fun gifts inside. Reading logs went home on Friday before break.

Have a safe and Happy
