COLD WEATHER

The weather outside will be getting very cold, very quickly! Please be sure your child has a winter coat, hat, gloves, and warm shoes/boots when coming to school. Also, when there is snow, students will only be allowed to play in the snow if they are wearing a winter coat, gloves/mittens, snow pants, and boots.

If you are in need of assistance with providing warm clothing for your child, please contact the office.

It is a good idea to put extra clothes and socks in a Ziplock bag to keep in your child's locker incase their clothes get wet or they have an accident. This is recommended for all students in all grades.

WINTER WEATHER and EMERGENCY CLOSINGS

As winter approaches, the possibility exists for storms that would require the Superintendent to order an emergency school closing.

- Hand Washing to prevent the spread of illness
- Influenza has started to hit the area - fever** or feeling feverish/ chills, cough, sore throat, runny or stuffy nose, muscle or body aches, headaches, fatigue (tiredness), some people may have vomiting and diarrhea, though this is more common in children than adults. **It's important to note that not everyone with the flu will have a fever.
- Cough etiquette - cover your cough, wash your hands, wear a mask to contain respiratory secretions (there are a variety in the Nurse's office)
- Dress appropriately for outdoor recess.

Have a Merry Christmas and Happy New Year
