Art Fair!

The Art Fair is quickly approaching!
Please refer to the information already sent home. We still need people to help! Reach out to Shannon Harkness at sharkness@nbcusd.org if you are willing to volunteer!

Erin's Law

Every year, the school district provides information to our students about "good touch, bad touch". Please send back the paperwork only if you do NOT want your child to hear how to keep their own bodies safe. If you have any questions about the presentation, reach out to our social worker, Aaliyah Calix.

Family Night for Social Emotional Learning

Please join us on April 3rd for a night of learning and winning! Parents will hear from Lakeshore Learning about how to interact with their child and help teach them about emotions and what to do when they have big emotions! The presentation will be in English and Spanish. Babysitting will be provided for the presentation!

April 3rd

Spanish Presentation begins at 4:00pm

English Presentation begins at 5:45pm

There will be gifts for the kids and the families who attend!

There will be raffle baskets to win!
