REGISTRATION IS OPEN!

Registration for the 2024-25 school year IS ONLINE ONLY. Go to www.nbcusd.org Please enroll your student as soon as possible so your child will be on the Capron Elementary roster or notify the front office if your child will be attending elsewhere next school year.

We need to account for every student and would greatly appreciate your help!

FLY-UP DAY

Capron 4th grade students will be attending a special **FLY-UP DAY** at the Upper Elementary School on May 20th.

The purpose of this event is to take a tour of the school and to meet the UE Staff.

If there are any questions or concerns, please contact the office @ 815-569-2314

During the last week of school, it is a good idea to send in at least one large bag (paper grocery, or reusable grocery bag) for your child's teacher to send things home in.

SUMMER OFFICE HOURS

The school office will be open from 8:30am – 2:00 pm from June 1 – June 9 to close out the 2023-2024 school year. The office will reopen for the 2024-2025 school year on Tuesday, **August 6, 2024**. If you need information when the office is closed, please contact the District Office at 815-765-3322.

From the School Nurse's Office

All Kindergarten and Second grade should have their dental forms or waivers turned in to the Nurse by May 15, 2024.

Physicals and immunizations need to be completed before the 1st day of school for Pre-K, Kindergarten and new students. Please email all physical, dental and immunization records as soon as you get them completed over the summer. Email them to kferguson@nbcusd.org or upload to the enrollment portal before the 1st day of school. Any students that do not have these before the first day may be excluded from attending.

Student medication needs to be picked up by the last day of school. If your student is attending summer school and needs medication, please contact the School Nurse.

Field Day is a day when students get to participate in fun activities outside the classroom and gym.

LOST & FOUND

Please encourage students to check the lost and found box.
All unclaimed items will be donated to a local organization during the winter break.

Lunch Accounts

As we get to the end of the school year please make sure your children have enough money in their lunch accounts. All negative balances need to be taken care of before school is out for the summer. Any left over money will stay in their accounts for the children to use next year.

End of the Year Expectations

- The end of the school year is quickly approaching. There are many fun activities for students to participate in through the end of May (field trips, field day, etc...). However, all of these fun activities are a privilege for students who are showing appropriate behavior and have met academic expectations in the classroom.
- Please remind your child that school rules and expectations are enforced through the end of the school year. Consequences for failing to meet expectations may include loss of participation in these activities.

PRESCHOOL ATTENDANCE POLICY

All Preschool students are expected to attend school every day. Your child's attendance is a **MANDATORY REQUIREMENT** in order to participate in this program. Attendance is taken upon arrival every day. As a courtesy, we ask that you contact the school by 8:00 am / 11:30 am if your child will not be attending that day. Since our site is regulated by the state for this program, we are required to report attendance on an ongoing basis. We understand that sometimes your child may be ill or there may be a family situation. We ask that you commit to the following:

- Your child arrives to their session **ON TIME** and are picked up on time.
- You make every effort to schedule doctor appointments before or after your child's session time.
- If you have an appointment and arrive late, please bring a doctor's excuse.
- If your child is absent, you must provide an excuse when they return with the date and reason.

THANKS FOR LIFTING  OUR TEACHERS!

Teacher Appreciation Week

May 6th- 10th

Monday ☉ **write UP**
