PREAMBLE

WHEREAS, the Association has been designated as the bargaining representative by a majority of the employees covered by this Agreement; and

WHEREAS, the District and Association have voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting relations between the District and the employees covered by this Agreement, insofar as such practices and procedures are consonant with the paramount interest of the public and the students of this District; and

WHEREAS, it is the intention of the parties of this Agreement to provide for the salary schedule, fringe benefits and conditions of employment of the employees covered by this Agreement, to provide for the continued and efficient operation of the District, and to provide an orderly and prompt method of handling and processing grievances;

NOW, THEREFORE, the parties agree with each other as follows:

ARTICLE I

RECOGNITION

The District hereby recognizes the Association as the exclusive and sole negotiating agent for all regular full time and regular part-time licensed personnel, except the superintendent, administration, other central office personnel staff, building principals, and all other people involved in supervision and evaluation of teachers.

The term "teacher" when used hereinafter in this Agreement shall refer to all personnel represented by the Association in the unit as determined hereinbefore.

The District agrees not to negotiate with any teacher organization other than the Association for the duration of this Agreement.

ARTICLE II

EMPLOYEE & ASSOCIATION RIGHTS

Teachers shall have the right to join or refrain from joining the Association. The Association agrees to represent equally and without prejudice all members of the bargaining unit.

A. **FAIR SHARE**

During the term of this Agreement, teachers who are not members of the Association shall, commencing sixty (60) days after their employment or sixty (60) days after the effective date of this Agreement, whichever is later, pay a fair share fee to the Association for collective bargaining and contract administration services rendered by the Association as the exclusive representative of the teachers covered by said Agreement, provided the fair share fee shall not exceed the dues attributable to being a member of the North Boone Education Association (including the Illinois Education Association and the National Education Association). In the event that the teacher does not pay his or her fair share directly to the Association by a certain date established by the Association, such fair share fee shall be deducted by the District from the earnings of non-members and remitted to the Association. The Association shall annually submit to the District a list of the teachers covered by this Agreement who are not members of the Association and an affidavit, which specifies the amount of the fair share fee. The amount of the fair share fee shall not include any contributions related to the election or support of any candidate for political office or for member-only benefit.

Non-members who object to this fair share fee based on bonafide religious tenets or teaching shall pay an amount equal to such fair share fee to a non-religious, charitable organization mutually agreed upon by the teacher and the Association. If the affected non-member and the Association are unable to reach an agreement on the organization, the organization shall be selected by the affected non-member from an approved list of charitable organizations established by the Illinois Educational Labor Relations Board and the payment shall be made to said organization.

The Association shall indemnify and hold harmless the District, its members, officers, agents and employees from any, against any and all claims, demands, actions, complaints, suits or other forms of liability (monetary or otherwise) that arise out of or by reason of any action taken or not taken by the District for the purpose of complying with the above provisions of this Article, or in reliance upon any list, notice, certification, affidavit or assignment furnished under any of the such provisions. The District shall promptly notify the Association if there is any lawsuit or other legal challenge to the provisions of this Article and the Association, upon such notice being given, shall have the right to designate legal counsel to defend such action; provided, however, the District shall have the right to designate its own legal counsel in any such legal proceedings,

subject to the approval of the Association, which approval shall not unreasonably be withheld, if such designation becomes necessary to protect its own interest, with the understanding that these indemnification provisions shall cover the cost of such representation.

Such authorization shall continue in effect from year to year unless revoked in writing. Any questions or disputes concerning the insurance policies or benefits there under shall be resolved in accordance with the terms set forth in said policies and shall not be subject to the grievance and arbitration procedure set forth in this agreement. The failure of any insurance carrier(s) to provide any benefit for which it is contracted or is obligated shall result in no liability to the District, nor shall such failure be considered by a breach of the District of any obligation undertaken under this or any other agreement. However, nothing in this agreement shall be construed to relieve any insurance carrier(s) from any liability that it may have to the District, faculty member or beneficiary of any faculty member.

ARTICLE XI

BOARD-PAID RETIREMENT CONTRIBUTION

The District agrees to pay up to 11.35% on all credible earnings to the Teacher Retirement System (TRS) of the State of Illinois including TRS health insurance (THIS), including income from extra duties as set forth in Appendices "B-D", which will be non-taxable according to the provisions of Internal Revenue Service Code Section 414 (h) (2).

ARTICLE XII

MINIMUM STANDARDS AND PROFESSIONAL GROWTH

A. EXTENDED FORMAL EDUCATION

Tuition reimbursement shall only be made for graduate coursework that has been approved by the superintendent and has direct educational merit for purposes of placement or horizontal advancement on the salary schedule of the District. The District shall reimburse a teacher who makes proper application toward graduate college credit up to \$250 per hour, not to exceed the actual cost of tuition. A calendar year is defined as the beginning of the school year to the beginning of the following school year. Application for reimbursement will be linked to the current approval system. At the end of the calendar year, reimbursement shall be at the lesser of \$250 per credit hour or the actual cost of tuition. Total reimbursement for all staff will not exceed \$20,000 for each year of the contract in FY 2022, FY 2023, FY 2024, and FY 2025. Any unused money from a FY may roll over into the next FY. Transcripts must be received by October 1st and payout will be by October 30th. Transcripts that are received after October 1st will be paid as part of the following year reimbursements. A course description and cost of tuition should be attached to the pre-approval form.

Teachers that receive tuition reimbursement must remain with the district for 3 years after completion of the last course. Should the teacher leave the district prior to that time, the teacher will pay back the amount reimbursed. Failure to comply will result in these payments being considered outstanding debts that may be grounds for collection action and/or reporting to credit bureaus.

Licensed employees who are at BA 24 and not pursuing a Master's degree or Master's +32 shall be allowed to take 1 master's level class per every 2 years. Tuition will be paid by the district. All classes must be approved by the superintendent or his designee.

The district may encourage and approve teachers to earn extra certifications to grow class offerings to students. This may include dual credit certification, dual language certification, STEAM, gifted or other certifications that allow students to increase their educational experience. The district will provide the tuition for these programs that are approved by the superintendent. The money for the tuition will not come from the money provided for extended formal education. All certification programs must be preapproved by the superintendent.

B. NATIONAL BOARD CERTIFICATION

For any staff that is identified to be eligible by National Board and who achieves National Board Certification (NBCT) will receive a ten-year bonus of up to \$1,000 per year, including TRS, each of the 10 years during which the National Board Licensed Teacher maintains their Illinois Master Certificate and continues employment with the district. The maximum NBCT bonus money available per year will be \$5,000.

C. CREDIT GIVEN

Credit shall be given on the salary schedule for all courses taken toward a Master's, or C.A.S. Degree in a major or minor field. All credits in the terms of the contract covered by the ensuing school year and credit earned during the first semester shall apply toward the second semester, for 50% of the increment, if applicable. All courses, including ones that are part of a degree program, must have written approval of the superintendent in order to receive credit on the salary schedule. Approval shall be extended prior to enrolling in the course if salary credit is expected for the subsequent school term. Transcripts must be received for first semester by October 1st. For second semester, transcripts must be received by January 15th.

Teachers will earn lane movements in accordance to the credits earned and criteria met as stated above.

ARTICLE XIII

LEAVES

A. PROFESSIONAL LEAVE

Paid professional business leave may be granted with the approval of the superintendent.

B. PERSONAL BUSINESS

Leave for personal business that must be transacted on a regular school day may be requested up to four (4) days per year (non-cumulative) to be used, if necessary, by half-day fractions, with the approval of the building principal. Personal business shall be interpreted to mean business transactions of a nature affecting the individual teacher and family, when necessary. Personal leave requested on the day before or after a school holiday or on the day before the end of the school year, or on the first day of the school year, will be granted only in cases of extreme emergency.

For any teacher who has acquired tenure status, no reason need be given for requesting personal business day. Non-tenure teacher shall give notice and reasons for leave to the building principal prior to leave being taken.

Any personal leave days not used for the school year may be accumulated as additional sick leave days beginning with the next ensuing school year, or in the case of retirement after the school year, toward and in addition to other cumulative sick days for purpose of pension and/or retirement matters.

C. ADDITIONAL LEAVE

Additional leave for valid and legitimate reasons may be granted teachers with the approval of the superintendent and with no deduction in the salary of said teacher, provided the teacher will reimburse the substitute teacher.

D. MILITARY LEAVE

When military service interrupts the teaching experience of a tenured teacher within the District, a full experience shall be given to a maximum of three (3) years. Whether said teacher volunteered for military service rather than waiting for the draft induction shall have no bearing on this. Military leave is restricted to one (1) enlistment term or one (1) draft term.

E. **LEAVE OF ABSENCE**

Leaves of absence may be granted without pay to teachers who have rendered proficient service to the district and who desire to return to employment in the same capacity upon termination of said leave. Each approved leave of absence shall be of the shortest possible duration required to meet the purpose of the leave consistent with a reasonable continuity of instruction for students. Leaves of absence without pay for not more than one year may be granted to teachers according to the following conditions:

1. Written requests for leaves of absence without pay should be made at least three (3) months before the leave is desired, subject to approval by the District.
2. Dates of departure and return must be acceptable to the administration and determined prior to initiating the request.
3. Leaves of less than one (1) month, if acceptable to and approved by the administration, will not require District approval nor three (3) months' notice.
4. Leaves may be granted for:
 - a. Advanced study leading to a degree at an approved university
 - b. Educationally related travel if the applicant provides an itinerary and an explanation of how such travel will improve the educational program
 - c. Military service
 - d. Maternity/paternity and pending adoption
 - e. Other reasons acceptable to the District, which will improve the educational program in the District
5. Teachers on approved leaves will retain seniority. A year's seniority will be earned by a tenured teacher for the leave if more than 66% of the school regular calendar days were worked during the year.
6. Teachers on such leave may continue insurance benefits if they reimburse the District for any pro rata costs of benefits for which they apply.
7. Tenured teachers will not advance on the salary schedule while on the approved leave of absence without pay, unless working at least 66% of the regular school calendar year days.

8. Failure of the teacher to notify the District of the intention to return at least sixty (60) days prior to the end of the school year or semester prior to resuming duties will be considered as a resignation from continued contractual service, thereby removing the District's obligation to re-employ. Said notice must be received by the District sixty (60) days prior to the end of the school year or semester prior to resuming duties, as the case may be.
9. The above provision applies except where prohibited by the Illinois School Code, and does not apply in cases of medical leave.

F. **SICK LEAVE**

1. The District shall grant sick leave in the amount of eleven (11) days at full pay each school year. Any teacher that uses 4 or less sick, bereavement, and personal days in a current school year would receive an additional 4 sick days the following year.
2. If a teacher does not use the full amount of annual sick leave allowed, the unused amount shall accumulate to 340 days. Teachers with 340 days of accumulated sick leave will also be entitled to the annual eleven (11) sick leave days for the current school year.
3. Sick leave shall be interpreted to mean personal illness, quarantined at home, or a serious illness, or death in a household of the teacher or in the immediate family. Immediate family shall be interpreted to mean parents, spouse, brothers, sisters, children, grandparents, grandchildren, parent-in-law, brothers-in-law, sisters-in-law, aunts, uncles and legal guardians.
4. The District shall notify each teacher on or before the second pay period of each year, the amount of accumulated sick leave.
5. Bereavement Leave - One (1) of the allowed sick days per school year may be used for any person not defined as family. In the event of the death of a close friend, or other relative or family member not defined in this Section, each licensed staff member shall be granted up to three (3) days paid funeral/bereavement leave per death and shall be deducted from accumulated sick/personal leave with administrative approval, and noted in administrative notes in AESOP. Verification may be requested.
6. Teachers will be given five (5) days of paid sick leave to care for their child upon birth. The five additional paid sick leave days will be added to employee's sick bank once the district is notified of the child's birth.

G. **FAMILY MEDICAL LEAVE ACT**

The District will provide leave and benefits as mandated by the Family Medical Leave Act (P.L. 103-3) as promulgated by the United States Department of Labor.

H. **JOB SHARING LEAVE**

1. **Eligibility and Definition:** Job sharing is defined as a voluntary opportunity for two (2) tenured employees, both having an overall rating of Proficient or Excellent on their most recent evaluations, to share one (1) full-time position. Job sharing assignments shall be filled only by teachers who have jointly agreed to work together. No one shall be involuntarily transferred to a job-sharing position.
2. **The Plan for Responsibility:** The responsibilities of an assignment of two (2) job sharers may be divided according to a plan designed by the job sharers, subject to approval by the building administrator. This plan will include, but not be limited to, teaching responsibilities, schedule of work hours and/or days, attendance at staff meetings, method of communication between job-sharers and attendance on field trips. Both teachers shall attend the first day of school and the last day of school, parent/teacher conferences, District-wide institute and staff development days and open houses. The plan for responsibility must be approved by the building administrator prior to applying for a job-sharing assignment.
3. **Application:** Employees who are interested in a job sharing opportunity shall submit their request along with the plan of responsibility, including administrator approval, to the Superintendent or designee by March first of the year preceding the school year for which the job-share assignment is requested. Job sharing assignments (including renewals) shall be approved or denied annually on or before May first by the Board of Education.
4. **Length of Job-Sharing Assignment:** The length of the job-sharing assignment shall be for one school year and may be renewed annually by the employer, provided that a request is made by March 1st by the participants to extend the assignment for an additional year.
5. **Evaluation:** Both teachers involved in a job-share assignment will be evaluated on an annual basis.

6. Salary and Fringe Benefits: Participants in job sharing positions shall be placed appropriately on the salary schedule of the basic agreement between the Association and the employer and salaries shall be pro-rated according to the time worked. For the purpose of determining the annual salary, participants shall receive a salary step advancement credit for every two school years of job sharing experience. Benefits, in addition to salary, shall be administered in the same method that benefits for part-time licensed employees are administered.
7. Substituting: Job-share partners will be given the first opportunity to substitute for each other. The District substitute rate shall apply.
8. Return to full-time: In the event a job sharer wishes to return to a full-time teaching assignment the following school year and notifies the Superintendent or designee of this request by March 1, the District shall provide the teacher with a full-time position for which the teacher is qualified to teach based on district seniority. If necessary, a teacher lower on the dismissal list shall be reduced in order to provide the job sharer a full-time position.
9. Number of Positions: The Board may approve a maximum of two (2) new shared positions each year. Job-share positions shall also be limited to one (1) job share position per building where there are twelve (12) or fewer full-time positions. Buildings with thirteen (13) or more full-time positions will be limited to two (2) job-share positions.

ARTICLE XIV

RETIREMENT PROGRAM:

- A. **Retirement Incentive Benefit Plan:** The Board shall recognize the service of full-time teachers who have rendered a total of at least fifteen (15) years of creditable service to the District, a minimum of 10 years consecutive. This incentive program excludes any teacher eligible to receive any retirement option under the “Early Retirement Option” provision of the TRS Illinois Pension Act or any other program sponsored by the State of Illinois.
- B. **Eligibility and Notice:**
1. To be eligible the teacher must have served satisfactorily in the district for a minimum of fifteen (15) years, a minimum of 10 years consecutive, by the actual retirement date.
 2. The teacher shall provide written notice to the superintendent of his or her intent to retire and participate in the program either four years, three years, two years or one year prior to the first day of March of the final year(s) of active service. The board shall approve the request and notify the teacher within sixty (60) days of receipt of the retirement and resignation notice.
 3. The teacher’s notice to the Board and the Board’s subsequent action on the request shall constitute a commitment by the parties to the terms stated in the notice, which terms shall be reflected in an individual retirement agreement between the teacher and the Board. In the event a teacher revokes in writing the retirement notice the revocation notice must be received prior to the District’s hiring of a replacement teacher.
- C. **Salary Benefit:** An eligible teacher who submits a timely letter of resignation (prior to March 1st) will be paid a salary increase in each of his/her last year(s) of service not to exceed five percent (5%) of the amount the previous year’s TRS creditable earnings.

TRS creditable earnings is defined as all compensation paid to the teacher, including payment of extracurricular activities and stipends for a maximum of four (4) years prior to retirement if the teacher performs the identical extracurricular duties and stipend duties for each of the years. In the event the teacher does not perform identical duties, the pay increase will be limited to the previous year's placement on the salary schedule up to 5% maximum. No new stipends, overloads or extra class periods (subbing) will be assigned to a teacher that would put them over the 6% from previous fiscal year's earnings. Should the teacher revoke the retirement, and the Board of Education approves, the teacher will be responsible in reimbursing the district for all additional funds paid above the salary schedule that was part of the retirement program. The repayment would be done in a salary reduction in the next fiscal year of all funds that were paid as part of the retirement program, plus the teacher will be placed back on the salary schedule that they would have been placed on if they did not participate in the retirement program. Moreover, the teacher shall no longer be eligible to participate in the Retirement Program under this Section and will be subject to salary reduction for any fines, fees, taxes or penalties incurred by the District as a result of revoking the retirement.

- D. **Severance:** An eligible teacher who submits a timely letter of resignation (prior to the March 1st) will be paid severance in the amount of \$480.00 per year of service, not to exceed a total of \$12,000.00. Severance will be paid in two payments. 50% will be paid on the first payroll of September of the retirement year and the remaining 50% will be paid on the first payroll of January in the next calendar year.
- E. **Limitations on participation:** The parties agree that if legislation is enacted or administrative rules adopted during the life of this agreement that adversely affects the Board's obligations or employee rights under any of the benefits set forth in this Article, then the provisions relating to such benefits are null and void. The parties agree to meet within thirty days of the passage of legislation to renegotiate the provision and the impact on any and all employees. The parties further agree that if legislation is enacted or administrative rules adopted during the life of this agreement to amend the "6% penalty" provision, the parties agree to meet within thirty days of the passage of the legislation to negotiate the impact of such legislation.
- F. **General Limitation:** The parties agree that any teacher who is within four years of being eligible for regular retirement under the Illinois Pension Code and receives in excess of a 6% aggregate annual increase in TRS creditable earnings that triggers a penalty to TRS that would be paid by the Board, shall not be eligible for the Retirement Program set forth in this Section.
- G. Any sick days above 340 that cannot be turned into TRS upon retirement will be compensated upon retirement in the amount of \$50.00 per day with a cap of 40 days above the TRS limit.
