Parking

Students will not be charged for parking during the 2021-2022 school year, however, students will need to apply for a parking permit and provide their drivers license and insurance information. Students will not be allowed to park at North Boone High School without a valid parking permit. Unfortunately, we do not have enough parking spots for every student to have one. First priority will be given to seniors and those student's with an academic schedule that does not allow the student to rely on transportation by school bus. The need to drive due to academic schedule will be determined by school officials. Those students will have until August 26th to apply for a parking permit and provide all necessary paperwork. Students who do not meet the above criteria will be placed on a waiting list, and parking permits will be issued on a first come-first served basis beginning August 27th. With this change in parking privileges, we ask that all students driving to school drive responsibly and get to school early enough to make it to class on time. School officials will revoke parking permits for students who are habitually tardy or do not drive and park responsibly.

NORTH BOONE SCHOOLS

SAFE RETURN TO LEARN!

Parents: On 8/4, Illinois Gov. JB Pritzker announced that masks will be required for all students and employees at Pre-K-12 schools. This new mandate includes all indoor athletic activities.

The new measure is part of the state's ongoing effort to combat a new surge of COVID-19, as the Delta variant rapidly spreads.

Masks and Temperature Checks

Masks are required for all persons entering the building during the school day and for any after-school events and/or meetings.

Temperature checks will be done on a daily basis. The building will open at 8:10am. If a student has zero hour, they must enter through the student entrance beginning at 7:20am.

ATHLETIC INFORMATION

- Aaron Sullivan is our Athletic Director and Michele Johnson is the Athletic Secretary. Any questions in regards to athletics should be directed through Aaron Sullivan, or if unavailable, Michele Johnson.

Asullivan@nbcusd.org

Mjohnson@nbcusd.org

- When students hand in their physicals to the office, we notify them of the expiration date. We ask that parents keep track of the expiration dates too. If a student's physical runs out during the season, they are unable to play until they get a current physical. This is an IHSA requirement, and it helps to protect the student from any unforeseen health issues that might put them at risk. The office also shares a document with the coaches that we keep up-to-date, so coaches have access to insure the safety of their athletes. If you have questions about the dates of physicals, please call to find out when a current physical ends for your student.
- If you have an issue with how something is being handled, we ask that you schedule a time to meet with the coach 24 hours after the issue to allow everyone time to cool down and think about the matter. This helps to decrease letting our emotions getting the best of us. Please honor the rule, and if after the meeting with the coach, you are still not satisfied, we ask that you set up a meeting with Aaron Sullivan, our Athletic Director.
