

Our recommendation to parents is start students off with pens, pencils, a notebook, and a folder for the first day of school. While this is the latest school supply list for our courses, staff have been working with a variety of technology that may influence and even decrease the what is necessary for each course.

Art

Most supplies are supplied during this course, but from time to time it is better to have your own. These are the main supplies we will be using in classes.

Supplies you must buy and bring to class daily

- 1. Sketchbook with white drawing Paper in it (ranging from 8.5"X11" to 9"X12")*
- 2. #2 pencils*
- 3. Eraser*

Highly recommended supplies that you may bring to class as you feel the need for them

- Set of drawing pencils (ranging from HB to 12B)*
- A variety of erasers*
- Blending Stump*
- A carrying case for your pencils (pencil bag or small box of some sort)*
- Personal set of colored pencils (at least 12 colors as time progresses you may want a variety of brands to allow for a wider palette of colors)*
- Personal set of colored markers (12 or more)*
- Black sharpie (fine and ultra fine tip)*

This is only a partial list that should grow as you start to develop your skills in and appreciation of art. No one ever knows what tools they need in order to create something until they decide what they want the creation to look like. So, expand your mind and creativity and your talent in the arts will surely follow.
