RECESS!

Please keep in mind that we will be **OUTSIDE** for recess **EVERY** day as long as the temperatures are above 10 degrees (wind chill-feels like temp).

Please send a coat, hat, gloves, etc. **LABELED** with your child's name or initials. It is amazing how many black coats or gloves look exactly the same!

If it is raining, we stay inside.

As the weather changes to snow- we will play out in the snow as much as possible! Please plan accordingly.

Car Line at Dismissal

KUDOS! You have all been doing a great job with the new pick up/drop off single line out front. The cones are slowly going to be moved out of the fire

lane to allow for easier plowing when the snow starts to fly. Please continue to park in a parking space and not in the fire lane when picking up. In the morning drop off line- please stay in your car. If you want to get out to say your good-byes, please park your car in a spot and walk them to the door. This keeps the traffic moving along so everyone can get to class on time!
