# POPLAR GROVE ELEMENTARY

JANUARY 2018

## A Note From Your Principal

Dear Parents and Guardians,

Happy New Year to all PGE families! I hope you all were able to spend time with family and friends during the winter break, and I wish you a warm welcome back to school. Let's make 2018 a year to remember here at PGE!

I would like to personally thank all of the many parents, grandparents, guardians, and friends that volunteered their time here at PGE, or attended one of the many holiday events that we had going on at our school during the month of December. We are so thankful for your support.

I would personally like to invite you to attend our next Coffee and Conversation with the Principal on Wednesday, January 24th starting at 8:15. I look forward to seeing you there. This is an amazing opportunity to meet other parents, learn about the great things happening at PGE, and discuss important topics affecting our students.

Thank you for all you do and your continued support of PGE!

Respectfully yours,

Heather Walsh,  
Principal

## Recess Information

Recess will continue to be outside unless the WINDCHILL is below 10 degrees. Please make sure your child has the necessary clothing for outside recess. Students will need to have coat, boots, gloves, and snow pants in order to play in any snow we may receive. Otherwise, they will be limited to play on the blacktop area of the playground. Please label all hats, coats, boots, and gloves with your child's name and remember to check the lost and found if you are missing something.

After the winter break students have Art twice a week instead of Music. We say goodbye to Mrs. Zimmer, our music teacher, and hello to Mrs. Pride, our art teacher!

## Winter Weather Info

School closings will be announced using our School Messenger service. There will also be information broadcasted on local television and radio stations, posted on the school district website and social media pages. It will be listed as North Boone School District #200.

As the snowy season is now upon us, it is important that you consider leaving your house a little earlier to ensure your student is in school on time in the morning. Students must be in their classroom by 8:00 am or they are marked tardy.

Please remember that the school zone is a cell-phone free area and we ask that you refrain from using your device while dropping off or picking up your students. The school zone is the street area in front of the school building along with the school parking lots.

Please help us ensure the safety of our students here at PGE.

## Art News

Welcome to art! I am so excited to be working with your students this semester! I thought I would take a moment and introduce myself. I reside in Poplar Grove with my family and I have 2 children that attend North Boone High School. I have taught preschool, kindergarten, second, and third grades as a regular education teacher. This is my first year as an art teacher and I am thoroughly enjoying it!

This year in art we will be working with a variety of mediums. I will be uploading artwork to Artsonia (an online art museum) and will be sending home information regarding this website shortly. Kindergarten and first graders will be exploring lines, shapes and be introduced to the color wheel this semester. Second graders will be working in depth with primary and secondary colors and mixing colors. They will also work with color values. Third and fourth graders will review colors, work with balance, symmetry and positive and negative space.

I look forward to working with all of you and having a fun filled semester in art!

Sincerely,  
Heidi Pride

**Notice: Students not picked up by 3:00 PM will be placed in Y-care. No Exceptions!**
