North Boone CUSD 200
Return to School
12-21-2020
Options for Return to In-Person

- Option 1: Hard Start on Jan. 19
- Option 2: Accelerated Phase-In to begin on Jan. 11
- Option 3: Targeted Assistance and Phase-In Plan already approved

All options will use the same in-person and remote instructional models for students.
Instructional Model Goals

- Provide as much equity as possible between remote instruction and in-person instruction
- Avoid simultaneous remote and in-person instruction as much as possible
- Avoid teacher changes for younger students
- Have realistic and balanced workloads for staff
**Instructional Model: PreK-4th Grade**

**Poplar Grove / Copron / Manchester: PreK - 4th Grade**

**In-Person:**
- PreK students will be on an alternating schedule each week.
- K-4 students will attend mornings on Tuesday - Friday.
  - In-Person instruction will include reading, writing, and math with their current homeroom teacher.
  - In the afternoon, students will engage remotely in music, art, and PE.

**Remote:**
- Students will participate in all classes through Google Meet.
  - In the morning, students will engage in music, art, and PE.
  - In the afternoon, students will engage in reading, writing, and math with their current homeroom teacher.

All students will be remote on Monday. Teachers will provide asynchronous activities and small group instruction for students; teachers will have remote planning time in the afternoon.
Instructional Model: 5th-8th Grade

Upper Elementary / Middle School: 5th - 8th Grade

In-Person:
- Students will follow an A/B Cohort schedule.
- Students will attend class in person two days each week. Students will attend class remotely for two days a week.

Remote:
- Core classes:
  - Students will be scheduled into a remote learning class period.
  - Teachers will teach this class period through Google Meet.

Exploratory classes / Special Education classes:
- Due to scheduling constraints, remote only sections may not be possible for all Special Education classes.
- Exploratory classes will all have to be taught simultaneously to both Remote and In-Person students.
- These teachers may have to teach remote students and in-person students simultaneously.

All students will be remote on Wednesday (C Day). Teachers will provide virtual interventions and supports in the morning; teachers will have remote planning time in the afternoon.
Instructional Model: 9th-12th Grade

High School: 9th - 12th Grade

In-Person:
- Students will be split into two cohorts and attend a block schedule. Each cohort will attend in-person twice a week until 12:48.

Remote:
- Remote students and the at-home cohort will attend classes remotely in the afternoon.
- Only remote students will attend on Wednesdays for half the day, and teachers will use the afternoon for remote planning.
- NBHS teachers will teach these classes through Google Meet.
### Instructional Time

</tbody>
</table>
Option 1: Hard Start

- All grade levels return in-person on Jan. 19th

Administration will work in collaboration with the BCHD to monitor internal metrics. Requirement of meeting external BCHD school metrics will be waived.
Option 2: Accelerated Phase-In

- Phases 1 and 2: Start on Jan. 11th
- Phases 3 and 4: Start on Jan. 19th

Administration will work in collaboration with the BCHD to monitor internal metrics.

Requirement of meeting external BCHD school metrics will be waived.
Option 3: Follow Previously Approved Plans

- Targeted Assistance
  - In-person instruction for small groups of students
  - Administration works with BCHD, outside of metrics

- Phases 1-4
  - In-person instruction for full grade levels
  - Grade levels return in 4 phases
  - Follows BCHD school metrics
### Phase 1-4 Overview

| Phase 1          | Add Pre-K and K Tuesday - Friday for AM session  
<table>
<thead>
<tr>
<th></th>
<th>Add 5-8 special education on A/B day schedule</th>
</tr>
</thead>
</table>
| Phase 2          | Add 1st and 2nd Tuesday - Friday for AM session  
|                  | Add 9-12 special education on M/T or Th/F schedule |
| Phase 3          | Add 3rd and 4th Tuesday - Friday for AM session  
|                  | Add 5th - 8th grade on A/B day schedule  
|                  | Add 9th-12th grade ELL and at risk students on M/T or Th/F schedule |
| Phase 4          | Add all High School Students on A/B day schedule |

The Families First Coronavirus Response Act (FFCRA) and expanded FMLA will expire on Dec. 31, 2020. When FFCRA expires, there are no leaves or waivers available to staff.

If staff have a medical condition, they can apply for accommodations under the Americans with Disability Act. We will work with staff to make the necessary accommodations.

There are 11 staff members (5 certified, 6 non-certified) who have sought out additional information regarding accommodations under the ADA.
Current Open Positions:

Certified
- 1 special education teacher (PGE)
- 3 permanent substitute positions (PGE, UE, MS)

Non-Certified
- 6 paraprofessional positions

As of 12/18/2020, we have 2 classrooms that may be taught with the teacher providing instruction remotely.

The classrooms will be supervised by a support staff member.

Monitoring Health Metrics

- Continue to use our current approved metrics as a guideline
- Continue to work collaboratively with the BCHD
- Monitor community trends
- Use flu tracker and reported COVID information to monitor outbreaks and spreads (monitors district, schools, and classrooms)
- When trends rise, we will collaborate on decisions with the BCHD
Our Recommendation

- The Administration recommends Option 1 with a Hard Start for all grade levels on Jan. 19th.

- We are confident that we can follow ISBE and IDPH guidelines and work in collaboration with the BCHD to monitor our internal metrics.

- We would follow the instructional models presented here for the rest of the school year.
Our Recommendation

Benefits of a Hard Start:

- Will provide continuity of instruction for all students at the same time. This will allow for one plan for every grade band, not a new plan every couple of weeks.
- Will reduce the amount of simultaneous teaching that will need to occur.
- Our in-person numbers indicate that class size will be between 10-15 students. In some classes, the number will be even less.
- Will benefit students in grades 5-12 to match instruction to start the beginning of 2nd semester.
- Follows the instructional models designed for the phase-in plans.
- Will give staff, students, and families a firm start date so they can make the necessary arrangements.
Moving Forward

• On Tuesday Dec. 22nd, a district letter will be sent to all staff and parents with communication of tonight’s decision.

• Principals will then send building and student specific information by the first week in January.

• Transportation route information will be sent to families by Jan. 11th.
