Sept 24 Fun Run

Parents & Guardians: All kindergarten students will be screened during the week of September 13 by the speech/language pathologist. The screening will be used to determine appropriate speech and language development. If you do not wish to have your child screened, please contact the school speech/language pathologist by Tuesday, Sept. 7. Contact information: 815-765-9783 or ebarron@nbcusd.org

Keep in Touch

We want to stay connected with everyone and social media is a great way to share what is happening at Capron. Please "Like" our Facebook page—"Capron Elementary School", and bookmark our website:

Student attendance is very important

If a student will be absent or tardy for any reason, please call the school at 815-569-2314. You may call and leave a message at any time. Any student that arrives later than 7:55 am will need to go to the office for a Tardy slip.

Chronic attendance issues (absences and/or tardies) will be referred to the principal and the Regional Attendance Cooperative.

Help your student be successful by attending school. Students miss out on academic instruction when they arrive late to school. Instruction begins daily at 8:00 a.m.

Art Room News

Welcome back Capron Clipper Artists! In the month of September we will be focusing on apple themed art projects. We will continue to learn about the Elements of Art and incorporate them into our artwork.

Transportation

PHYSICAL EDUCATION CLASS

This year PE is starting back in person, but masks will be required while we are inside. However, while outside and socially distanced we will be able to take our masks down. Because of this, we will be trying to get outside as much as possible unless it is raining or very hot.

Remember, while we may not be in the gym we still need to be ready for class so please make sure that we are wearing proper footwear! I know sandals and flip flops are comfortable, but they can be unsafe while we are running around or kicking balls outside so please pack a regular pair of shoes and socks in your backpack to change into. If you brought special shoes to school that are just for the gym please do not change into those for outside PE as they can get wet/dirty during playing outside.

I'll see everyone outside for some four square and soccer over the next few weeks!

Capron Recognizes Positive Behavior

*** Respectful * Responsible * Safe**

Capron supports the success of ALL students. Effective classroom management and preventive school discipline are essential to support teaching and learning. We encourage families to be active participants in our process. All of our school expectations can be practiced at home. It is easy to find ways to be respectful, responsible and safe at home and in the community. Saying "thank you" to the waitress is a way of being respectful. Brushing your teeth in the morning is a way of being responsible. Wearing our seatbelts is a way to be safe. Encourage your child to be respectful, responsible and safe in all walks of life.

Helping your child to be successful at school!

Develop a partnership with your child's teacher and school staff

- Meet your child's teacher
- Get to know who's at your child's school
- Attend parent-teacher conferences and keep in touch with the teacher

Support your child academically

- Make sure that your child gets homework done
- Find homework help for your child if needed
- Help your child prepare for tests

Get involved with your child's school

- Learn what the school offers
- Volunteer at your child's school and/or join your school's PTO

Get informed and be an advocate for your child

- Don't be afraid to ask questions
- Let the school know your concerns

Support your child's learning at home

- Demonstrate a positive attitude about education
- Encourage your child to read; use the library
- Talk to your child
- Encourage your child to be responsible and work independently

NEWS FROM THE NURSE

Vision and Hearing Screening are completed every school year by a State Certified Technician. If, for any reason, you do not want your student screened, please put your request in writing and send to your school nurse by September 15, 2021. The request must include the name of the student and the current date. It must also be signed by the student's guardian.

If your child or anyone living in your home has a new cough, runny nose, nausea, vomiting, diarrhea, shortness of breath, fever, loss of taste or smell, or unexplained fatigue/week. Please keep all students home and consult with the school nurse.

Please remember if your child has a fever, they must remain fever free for 24 hours without the use of medication before they can return to school. Please do not medicate your child and send them to school if they have a fever. The same rule applies to diarrhea and/or vomiting. This is to help prevent the spread of illness to other students and staff. This district policy will be strictly enforced. Remember the key to staying germ free is washing your hands frequently, covering coughs and sneezes, staying home when you or your child are ill.

*** Note: If your child is absent four days or more due to a medical reason, it will be required that a doctor's note to return to school must be turned into the office as soon as the student returns. If your child comes to school without the Dr., the child will be sent home.

Student of the Month

We will begin posting the Student of the Month recipients in our next newsletter. Here are a few tips to encourage your child to earn this prestigious honor:

- Be at school everyday and on time.
- Be prepared with learning supplies and daily homework.
- Listen to the teacher and participate in class discussions and activities.
- Be respectful to classmates and staff.
- Follow classroom and school rules.
- Try your best each and every day.

All of our Capron Clippers have the potential to be Student of the Month.

Remind students to follow these suggestions and always try his or her best!
