5th Grade Living Wax Museum is Coming!

Our 5th graders have been working very hard in Social Studies class on their Living Wax Museum projects! Please join us on Thursday, May 17th from 8:15—9:15 am in our gym to see all of our students' displays!

Teacher Appreciation Week is the week of May 6th.

There are many low cost ways to show our awesome UE teachers how much you appreciate them. An email, a hand written note, a card from your student or a special treat are just a few ways to show your appreciation.

All current 6th Grade students should have their dental forms or waivers turned in to the nurse by May 11, 2018.

****ALL MEDICATION currently in the Nurse's Office must be picked up by a parent by the last day of school.****

Students entering 6th grade this fall, will need current immunizations and a physical prior to the first day of school. 1st Exclusion will be in effect.

4th Grade students from our Elementary Schools will be attending a special FLY-UP DAY at the Upper Elementary School on Friday, May 18th.

We look forward to meeting our upcoming 5th Grade students! :)
