MAY 2013

Congratulations

We would like to congratulate Dr. Sharon Olds for being appointed as the Galena School District 120 Superintendent. Dr. Olds will be with us until June 30th. We are sad to see her go but wish her the best of luck in her new town of Galena!

End of School Year Information

It's hard to believe but the end of the school year is quickly approaching! Our last full day of school will be Wednesday, May 29, 2013. Report card pick up will be Thursday, May 30, 2013. Buses will run normal that day. Students will be in class only long enough to pick up report cards. It is fine if your child does not attend that day. If your child isn't at school, please send in a self-addressed stamped envelope in order for your report card to be mailed to you. Report cards will be available to pick up until 8:30 am in the classroom.

Field Day

Once again Mrs. Kleckler and Mr. Dinsmore will have outside activities set up for the students on May 29, 2013. Please have your student prepared to spend most of the day outside. Make sure they have sunscreen, comfortable clothing and tennis shoes. We will have a hot dog lunch for those purchasing lunch from school, all other students should bring a cold lunch from home.

This will be the final newsletter of the year. We would like to wish everyone a safe and happy summer! For those not returning to PGE next year we wish you lots of luck and happiness in your new endeavors!

Cinco De Mayo Celebration

Cinco De Mayo celebration will be held on May 4, 2013 from 3:00-7:00 pm at Capron Elementary School. Cost is \$5.00 for adults and \$2.50 up to age 12. This includes a pig roast, fruit and rice. Drinks are available at an additional cost of \$1.00. There will also be a live band and dancing!

Summer Library

North Boone's Summer Library Program

Studies show that the average student loses two months of reading skills over the summer because of the decrease in the amount of time spent reading. At North Boone, we hope to turn this trend around by offering library hours weekly throughout the summer. All students are invited to attend any of the summer library locations even if they do not attend that particular school.

New this year is an evening session at Poplar Grove Elementary on Wednesdays! The summer library program will run from June 10-July 31. A big thank you goes to Target for helping fund the program for 2013!
